

Visit Chinese Delegation 22/09/2017

Who are we?

Public Center for Social Welfare: PCSW

- Offers support for people in need
- Direct help (money, housing)
- Also tries to activate people back into the normal economy

- *'Helping people help themselves'*

Learning ateliers

Goals:

1. We teach people new job skills and working attitudes
2. Provide services for people in need

Three divisions:

1. Catering
2. Construction
 - Electricity
 - Plumbing
 - Decoration and restauration
 - Carpentry
3. Logistics
 - Moving team
 - Cleaning team
 - Foodsavers

Missions:

- Recover surplus food from shops and auctions and donate to people in need
 - > Emphasis on healthy food (fruit and vegetables)
 - Eliminate carbon dioxide
 - By employing “social economy”

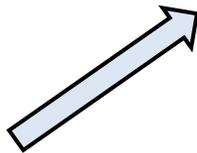

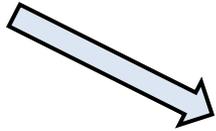

Foodsavers

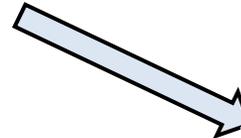

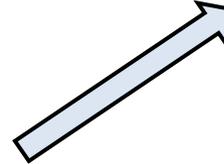

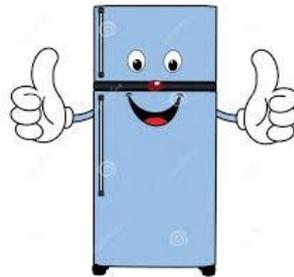

Two main goals:

- 1) Adjust supply and demand
- 2) Never donate food that is beyond expiry date

Eliminate carbon dioxide

- Before 32 small organisations picked up
- Take surplus food = less transport by shops
- Formula: 100 ton food = 254 ton CO²
 - After 6 months: 140 tons food = 355 ton CO²
