An aerial photograph of a large, well-maintained park. The park features a network of winding, paved paths that meander through dense greenery. The vegetation includes a variety of trees, some with vibrant orange and red flowers, and manicured lawns. A prominent, curved stone wall or low wall runs through the middle of the park, separating different sections. The overall scene is bright and sunny, with clear shadows cast by the trees.

Jalan Raya Perak

A wide, tree-lined road with a green median. The road is paved with asphalt and has white dashed lines. A green median runs down the center. On the left side, there are orange-painted sections on the pavement. The road is flanked by tall, leafy trees. In the distance, there is a traffic light and a billboard. Several cars and motorcycles are visible on the road. The scene is bright and sunny.
