The background image shows a lush green mountainous area with dense tropical forests. In the foreground, there is a calm lake or river. On the shore, there are several modern buildings with red roofs, some appearing to be wooden houses or villas. The sky is clear with some light clouds.

建设海南热带雨林国家公园

Building Tropical Rainforest National Park

The background of the image is a wide-angle photograph of a tropical coastline. A long, sandy beach curves along the bottom right, bordered by lush green hills and mountains. The ocean is a vibrant blue, meeting a sky filled with scattered white clouds. In the top right corner, a branch with green leaves partially obscures the view.
