会议背景

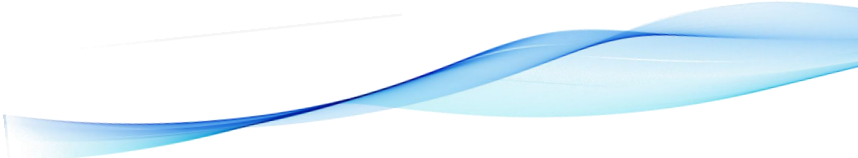

Conference Background

成都作为中国西部重要经济中心、中国内陆开放高地，是国家创新型试点城市、知识产权示范城市、国家小微企业创业创新示范基地城市，全国唯一具有校地企三类双创示范基地的副省级城市，被誉为全国“3+2”（北京、上海、深圳+武汉、成都）创业基地城市。

Chengdu, as an important economic center in west China and highland in the course of opening-up of inland China, is a National Pilot City for Innovation, National Demonstration City for Intellectual Property Rights Protection and National Demonstration Base City for SME Innovation and Entrepreneurship. It is the only deputy-provincial level city with the school, government and business three types of Innovation and Entrepreneurship Bases nationwide, and thus honored as one of the National “3+2” Entrepreneurship Base Cities (Beijing, Shanghai, Shenzhen plus Wuhan and Chengdu).

由成都市人民政府主办，四川省人民政府支持的“2019 成都全球创新创业交易会”（创交会），将于6月10日至12日在成都举行。届时，国家相关部委领导、国内外商业领袖、世界热点创业城市、国际知名创新创业高校及科研机构、著名投资机构、顶级孵化载体等代表将云集成都，探讨全球创新创业趋势，推动全球创新创业资源融合对接，加快发展新经济、培育新动能，构建具有成都特色的新经济、新生态、新场景，为建设全面体现新发展理念的城市打造新的动力引擎。

2019 China (Chengdu) Global Innovation and Entrepreneurship Fair (hereinafter referred to as “GIEF”), sponsored by Chengdu Municipal People’s Government and supported by Sichuan Provincial People’s Government, will be hosted in Chengdu on 10-12 June. Leaders from relevant Ministries and Commissions, business leaders home and abroad, and representatives from worldwide hot cities for entrepreneurship,

renowned innovation and entrepreneurship colleges, universities, and research institutes, noted investment institutions, and top incubators will gather in Chengdu to discuss global trends for innovation and entrepreneurship and to drive integration of world innovation and entrepreneurship resources. It will help Chengdu speed up developing new economy and fostering new momentum, build new economy, new ecosystem and new business environment with Chengdu characteristics, and create a new engine for building a city fully embodying the new development concept.

作为 2019 成都全球创新创业交易会配套子活动之一，成都高新区管委会联合欧盟驻华代表团于 6 月 11 日共同举办“中欧智慧城市与技术创新论坛”。为进一步提升中国—欧洲中心对欧影响力，推进成都高新区与欧洲地区的深度合作，助推成都市创新创业国际影响力，并进一步深化中欧区域合作，本活动邀请欧盟驻华代表团、欧盟委员会地区总司、中欧创新热点城市和商业领袖等代表参会，参加人员为 120 人左右。嘉宾将围绕成都与欧洲国家在创新、智慧技术领域的相关合作开展主题演讲和专题讨论；成都本土创新智慧领域企业也有机会与欧洲机构进行合作洽谈与项目对接。

As part of the series of the activities under the GIEF, the management committee of Chengdu High-tech Zone and the EU Delegation to China jointly hold the “EU-China Smart City and Technology Innovation Forum” in Chengdu on 11th June. In order to further promote the impact of Centre for China-Europe Cooperation (CCEC) and deepen the cooperation between Chengdu High-Tech Zone and European areas, and to enhance the international influence of Chengdu Innovation and Entrepreneurship and the collaboration with EU-China regional cooperation, the host has invited around 120 representatives including those from the EU Delegation to China, DG REGIO of the European Commission, European innovative cities and business leaders to attend the conference. Speaker will deliver keynote speeches and engage in focused discussions revolving around the topics of cooperation in innovation and smart technologies between European countries and Chengdu. Also on the agenda is the concrete discussion and project-matching between local businesses with European institutions and businesses.

情况简介

Brief Introduction

一、成都市、高新区与中国—欧洲中心简介

Brief Introduction of Chengdu City, High-tech Zone and CCEC

1. 成都市

Chengdu

成都，简称“蓉”，位于中国四川省中部，是四川省省会，中国副省级城市之一，是国务院确定的中国西南地区的科技中心、商贸中心、金融中心和交通、通讯枢纽；也是四川省政治、经济、文教中心。是国家经济与社会发展计划单列市，国家历史文化名城。

Chengdu, abbreviated as “Rong” and situated in the middle of Sichuan Province in China, is the capital city of Sichuan province, one of the sub-provincial level cities in China. It is technology center, trade center, financial center as well as transportation and communication hub in the southwest of China. Chengdu is also the political, economic, cultural and educational center of Sichuan Province. Apart from being a municipality with independent planning status under the national social and economic development, Chengdu is also a renowned cultural and historic city.

成都市面积 1.43 万平方公里，常住人口 1633 万人，辖锦江、青羊、金牛、武侯、成华、龙泉驿、青白江、新都、温江、双流、郫都 11 个区，简阳、都江堰、彭州、邛崃、崇州 5 个县级市，金堂、大邑、蒲江、新津 4 个县。成都市有国家级新区——成都天府新区直管区，国家自主创新示范区——成都高新技术产业开发区，国家级经济技术开发区——成都经济技术开发区。

Chengdu, covering an area of 14.3 thousand square kilometers and having a population of 16.33 million people, governs 11 districts: Jinjiang District, Qingyang District, Jinniu District, Wuhou District, Chenghua District, Longquanyi District, Qingbaijiang District, Xindu District, Wenjiang District, Shuangliu District and Pidu District; 5 county-level cities: Jianyang, Dujiangyan, Pengzhou, Qionglai and Chongzhou; and 4 counties: Jintang, Dayi, Pujiang and Xinjin. Additionally, Chengdu has a state-level new district (Tianfu New District of Chengdu), a national innovation demonstration area (Chengdu High-tech Zone), and a state-level economy and technology development zone (Chengdu Economy and Technology Development Zone).

2018 年，地区生产总值 1.53 万亿元，开通国际航线 116 条，在蓉世界 500 强企业 285 家，国际友城和友好合作城市 93 个，外国驻蓉领事机构 17 家。

In 2018, Chengdu achieved a GRP of 1.53 trillion yuan, opened 116 international routes, had 285 Fortune 500 companies, and had established friendly relationships with 93 cities home and abroad and had 17 foreign consulates set up presence here.

2. 高新区

Chengdu Hi-tech Industrial Development Zone

成都高新区筹建于 1988 年，1991 年成为全国首批国家级高新区，2006 年被科技部确定为全国创建“世界一流高科技园区”试点园区，2015 年经国务院批准成为西部首个国家自主创新示范区，是四川省全面改革创新试验区和自由贸易试验区核心区。

The Chengdu High-tech Zone was founded in 1988 and was authorized to become one of the first national high-tech industrial development zones by the State Council in 1991. In 2006, it was approved as an international experimental zone for fostering the “world first-class high-tech zone” by the Ministry of Science and Technology. In 2015, the State Council authorized it as the first national innovation demonstration zone in western China. It is the core area of Sichuan Provincial comprehensive innovation reform pilot zone and pilot free trade zone.

现有托管区域面积 613 平方公里（不含与成都市双流区合作共建园区 44 平方公里），围绕“一区四园”总体布局，依托空港新城、高新南区、高新西区、天府国际生物城，加快建设四大产业功能区。以电子信息、生物医药、新经济为重点，着力培育发展创新型产业集群，构建产业生态圈、创新生态链，打造具有全球竞争力的现代产业体系。

With an area of 613 square kilometers (not including the area of the Chengdu Shuangliu Joint Construction Industrial Park of 44 square kilometers), the area has an overall arrangement of “One Zone and Four Parks”. It focuses on Aerotropolis, Southern Park, Western Park, and Tianfu International Bio Town to accelerate the construction of four functional zones. It makes efforts to develop innovation-oriented

industrial clusters, set up industrial ecological circle and innovative ecological chain, and build a modern industry system with global competitiveness by focusing on electronic information, biological medicine and new economy.

2018年，成都高新区实现地区生产总值1877.7亿元，增长9.6%，占成都市的12.2%；截至2018年，聚集市场主体17.56万家。其中，企业13.15万余家，上市企业34家。

In 2018, the GDP of Chengdu High-tech Zone amounted to RMB 187.77 billion, increasing by 9.6% from last year, accounting for 12.2% of Chengdu. By 2018, Chengdu High-tech Zone had gathered 175,700 market entities. Among them, there were more than 131,500 companies, including 34 listed companies.

3. 中国—欧洲中心

Centre for China-Europe Cooperation (CCEC)

中国—欧洲中心作为国内首个由地方搭建、欧盟委员会和国家部委联合支持的中欧合作平台，是四川省加快形成“四向拓展、全域开放”立体全面开放新态势的重要举措，也是成都市高水平规划建设西部国际门户枢纽的战略重点。总建筑面积21万平方米，高192米，地处锦江、天府大道交汇处，雄踞成都中心城区与天府新区发展主轴线的战略支点，区位优势明显。2017年5月10日，由成都市与欧盟委员会、国家商务部、科技部共同启动运营。

Center for China-Europe Cooperation, the first platform in China supported by local government together with European Commission for cooperation with Europe, is an important initiative of Sichuan Province to promote “four-way expansion and overall opening” efforts and a focal point in Chengdu’s strategy of building itself into an international gateway hub in Western China. CCEC covers an area of 210,000 square kilometers and has a height of 192 meters. Located in the intersection of Tianfu Avenue and Jin River, a strategic spot between the Chengdu CBD and Tianfu New District, CCEC has the location advantage. On May 10th 2017, the EU Delegation, Ministry of Commerce and the Ministry of Science and Technology joined Chengdu Municipal government in launching the CCEC together.

中国—欧洲中心以打造中欧区域经济合作和高端资源汇聚平台为总体目标，以“交往中心、商贸中心、服务中心”作为功能定位，致力于聚集政务、商务、科技、教育、文化和艺术等多维度资源。其中，负3至15楼布局为中欧交往中心，主要聚集欧洲政府、商务、文教机构设立的驻华办事机构，同时设有欧洲文化艺术中心、“一带一路”展示中心、自贸区服务大厅等国际化配套设施。16至29楼布局为中欧商贸中心，主要聚集跨国总部、供应链金融等知名企业。30至46楼布局为中欧服务中心，建有五星级酒店、国际会议中心等服务设施。

CCEC, as exchange center, trade center and service center, aims to create a platform for regional economic cooperation and high-end resource concentration between China and Europe and focuses on business, technology, education, culture and art exhibitions. From Floor B3 to Floor 15 of CCEC is the Europe Exchange Center, which is especially designed for agencies in China that belong to European political, economic, cultural and educational institutes. On the same floor, there are the European Culture and Art Center, the Belt and Road Exhibition Center and the service hall of Free Trade Zone, etc. From Floor 16 to Floor 29 is Europe Trade Center, which gathers headquarters of multinational enterprises and well-known enterprises of the supply chain finance sector. And from Floor 30 to Floor 46 is Europe Service Center, which has supporting facilities such as five-star hotels and international conference center, improving the service ability of the whole building.

二、 欧盟国际城镇合作项目简介

Brief Introduction of IUC

1. 中欧区域政策对话合作机制

EU-China Regional Policy Dialogue Cooperation

2006年，中国国家发展与改革委员会与欧盟委员会正式启动中欧区域政策对话合作机制。十多年来，经过双方共同努力与探索，中欧区域政策对话机制日益完善，合作领域不断拓宽，合作内容逐步深化，人员交流日益密切。双方在区域政策对话交流、重大理论课题研究、管理人员能力建设、案例地区合作等领域取得了丰硕成果，成为中欧众多合作领域与机制中的一个典范，为促进中欧全面战略伙伴关系的建设做出了积极贡献。

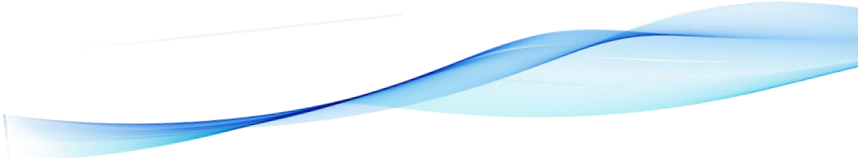

In 2006, EU and National Development and Reform Commission officially launched the EU-China Regional Policy High-level Dialogue Cooperation Mechanism. Over more than a decade, through joint efforts on both sides, the cooperation mechanism has been continuously strengthened, with the scope expanded, cooperation results deepened and mutual exchanged more frequent. Fruitful results including regional policy dialogue and exchanges, studies on major theoretical subjects, capacity building for management personnel and regional cooperation and exchanges between pilot areas have been achieved by both sides. This has made the mechanism a good example among the many areas of cooperation between China and the EU, contributing to the EU-China Comprehensive Strategic Partnership.

2. 国际城镇合作项目

IUC Project

在中欧区域政策对话合作机制下，欧盟国际城镇合作项目于2017年正式启动，旨在推动中欧案例城市间在可持续城镇发展领域开展务实合作。在国家发改委与欧盟委员会的指导下，国际城镇合作项目邀请中欧城市参加区域合作研讨会、主题论坛、城市考察等活动，并推动中欧城市在相关领域开展具体项目对接合作。

Under the EU-China Regional Policy Dialogue Cooperation Mechanism, International Urban Cooperation Project (IUC) was officially launched in 2017, aiming

to promote cities from China and European Union to link up and undertake concrete cooperation, engaging in regional policy seminars, field visits, theme workshops and concrete pilot projects.

合作领域和主题包括但不限于可持续发展目标涵盖的内容，案例城市可根据实际情况与意愿，在可持续城市发展、交通、智慧城市与技术创新、金融创新、产业升级、低碳发展与能效提升以及人文交流等多领域开展务实合作。该项目采取“三重螺旋”合作模式，鼓励公共领域、私人领域、研发机构、创新机构等共同参与可持续城镇发展战略的长期实施。

The cooperation themes include but not limited to the content of the Sustainable Development Goals (SDGs). Cities carry out practical cooperation in fields including sustainable city development, transport, smart city, technological and financial innovation, industrial upgrading, low-carbon development, people-to-people exchanges, etc. IUC adopts the Triple-Helix cooperation model, encouraging public and private sectors, institutes, innovation centers to jointly engage in the cooperation, contributing to the implementation of the SDGs.
