Part 3 – short term economical and social challenges

- A Council of Mayors was convened on March 24, 2020 with the 49 Mayors of the Nice Côte d'Azur Métropole. It was decided to take exceptional measures to support the territory's companies in the face of the Covid-19 crisis. Among them:
 - Cancellation of payment for occupancy tax on public property
 - Pay the rents for auto-entrepreneurs and small businesses (starting end of March)
 - New public orders will be anticipated by targeting local companies
 - Increase and renew the offer in all sectors of culture, sport and events
 - Give full support to local associations
 - Provide visibility of local merchants thanks to an online directory
 - Contribution up to 1M€ to the regional economical support fund
